ION Ballistic Slipper 1.5

In 2006, ION developed an innovative feature: the ballistic sole.

It provides ultimate protection against sea urchin spines, sharp shells, corals and other sharp stuff.

Outer material:

- D Fence Nylon Jersey
- 3D Flex Mesh
- Ballistic protection anti-slip sole

Inner material:

- D Fence Nylon Jersey

Features:

- Flat Lock stretch stitchings
- Ballistic protection sole: Super resistant on sea urchin spines, sharp shells, corals and other sharp stuff.
- Anti Slip sole: Perfect barefoot feeling and nonetheless perfect stability and comfort.
- Elastic cord at the front is easy to use and prevents from sand to enter.
- Arch Support Pad for better stability
