Liquid Force Index Boot 2010

Features:

- IP Chassis... New for 2010!
Reliable, hassle-free adjustment... Angle Locks hold strong and allow for easier stance adjustment than ever before.
- Pillow Top Liner
Extra soft padding where you need it most. Eliminates shin and calf discomfort from those marathon sessions.
- Dual Comfort Gussets on Toe Piece
Allows toe piece to lift while foot easily slides into boot. No pinch points and a better fit.
- EZ Glide Lacing
Specially designed laces and lace loops work together to lock you in and let you out of the boot quickly and easily.
- Integrated Heel Piece
Heel piece is integrated into overlay for easier entry and more comfortable fit when in boot.
- Multi-Fit Design (5-8, 8-12, 12-15)
Specially designed tongue allows for proper fit on the widest range of foot sizes possible. Share the boots with a family member or your friends.
