Liquid Force Groove 2010

Collin Harrington is one of the most stylish and versatile riders in wakeboarding. His signature board is no different, as it performs at a high level in any situation or condition. This board is ready to take you wherever you want to go!

Features:

- Progressive Continuous Rocker
- Double-to-Quad concave hull configuration
- D-I-S-C through midsection into quad V concave out the tail
Concaves for lift combined with V for quicker turning
- Winged scalloped tail outline - full shape with release at rail wings
Allows rider to shorten the arc of his turn off the wing for slaying
- Molded Quad plus ONE fin setup
long, warped sides with shallow inside fin set
Outside fins for rail hold combines with inside set to control the thrust through the dual concaves
- Center Keel
Center keel keeps water running though concave out the tip without getting too loose
- Variable edge rails
